RE: COVID-19

Dear Stadium34 Members,

We would like to assure our members regarding the COVID-19 virus that we will only be following expert advice and the Victorian/Commonwealth Government guidelines.

Stadium34 competitions will continue to operate, unless government and the expert advice inform social and local sporting organisations to cease operating. Many sports governing bodies have made announcements that games will continue for the moment and have requested their communities not to panic and to follow the expert advice.

Please understand during this time, players may not want to shake hands with you after the game and we ask you not to be offended by this. A simple, 'good game' to your opponents and teammates will suffice.

We ask all our members to follow all hygiene advice including washing your hands regularly.

Moving forward, we will continue to look at ways we can implement better hygiene measures throughout our competitions and venue.

Please know that Stadium34 will keep up to date with all information available and make informed decisions.

Sincerely,

Matt Beatson
Managing Director
