Teams should be submitted by a nominated parent/coach and this process is very simple.

Click the link above and locate the appropriate division. Click the green button. Log in to Spawtz. Enter a team name. Add any children directly associated to the person submitting the team. Click submit the team. On your Spawtz team dashboard you will see a “team invitation link”. Copy this link and send it to the rest of the parents for them to complete their children’s registration and join that specific team.

Please watch this [video](#) for assistance with the updated registration process.

New players can be added at any stage through the season using the same invitation link that can be found via your Spawtz Dashboard.

Don't have a team? You must submit your interest to join a team here - <https://forms.gle/2DrTk5U2pGPXMSxk7>
Once submitted, we will try to find you a team. You will then receive a 'team link' via email, where you can register to Spawtz and pay your fees to finalise joining that team.
