WELCOME

The Australian Club Championships (ACC) is a celebration of Australian inline hockey and the people who make our sport so special.

What we value most about the ACC is its ability to bring everyone together. Players, coaches, officials, families and supporters travel from across Australia and overseas to share the rink, renew friendships and create new connections. For six days, our inline hockey community comes together under one roof, united by a shared passion for the game.

In 2027, we are excited to introduce a new 21U division. This addition creates another important opportunity for our emerging players to compete on the national stage, represent their clubs and continue developing as they progress into senior elite level hockey. We look forward to watching the next generation showcase their talent and become an important part of the ACC.

Our aim is to create six days that feel special from the moment teams arrive. From the energy around the venue to the intensity on the rink, every game contributes to an atmosphere that reflects the pride, passion and spirit of the inline hockey community.

Thank you for being part of the 2027 ACC. We look forward to welcoming you to STADIUM34 and bringing the inline hockey community together for another unforgettable tournament.
